## ABOUT APERTRE 3.0

Apertre 3.0 is a 30-day open-source flagship event hosted by the Resourcio Community, aimed at bringing together developers, designers, tech enthusiasts, and newcomers to collaborate, learn, and innovate within the technology ecosystem.

## ABOUT RESOURCIO COMMUNITY

An open tech community since December 12, 2022, now 1,300+ strong. We host sessions, events, and hackathons to promote tech culture, innovation, and learning, especially in West Bengal.
